3. Crust - crush the Oreo's & incorporate the butter, press into the bottom of your springform pan.
4. Filling - Place one 8-ounce package of the cream cheese, 1/3 cup of the sugar, and the cornstarch in a large bowl.
5. Beat with an electric mixer on low until creamy, about 3 minutes, then beat in the remaining 3 packages of the cream cheese. Increase the mixer speed to high and beat in the remaining 1 1/3 cups of the sugar, then beat in the vanilla.
6. Blend in the eggs, one at a time, beating the batter well after each one.

9. Gently spoon 1/2 of the cheese filling on top of the prepared crust. spoon plops 1/2 the jar of strawberry topping here and there. Drag a butterknife through the strawberries to marblize the cheese/straberries. Spoon in the other half of the batter and the repeat the strawberry process on top. Bake for 1 hour or until there is only a slight jiggle when shook gently.
10. crumb topping - In a small bowl or the food processor, add the Oreo cookies and pulse into large crumbs. Add the softened butter and mix gently with a fork or your hands to make pea-sized pieces stick together. Scoop out 2 tablespoons of the mixture into a small bowl and set aside. Pour strawberry jello powder over the remaining crumbs and continue pinching the pieces together. Add more softened butter if needed for mixture to stick to the cake.
